From Dr. Prince...

So many great things are happening in June, I don't have room in my article to write about them all!

June 6 will be a great day for lots of reasons! The most important one is that Christi Hollifield will officially begin her ministry with us as our Pastor for Children, Youth, and Families. Please pray for her and her family as they prepare to come to our church!

Several other important things are scheduled for that day: Restarting children's ministry, graduate recognition, the Lord's Supper, restarting Connections Coffee House, Welcome Class and Summer Ministry Offering.

The restart of Children's Ministry means we'll have childcare available for our worship service for children from birth through kindergarten. It also means we'll have children's Sunday School during our Sunday School and small group time beginning at 11:15 a.m.

In our worship service, we're going to recognize our graduating seniors and celebrate the Lord's Supper. Following the service, we're going to restart our Connections Coffeehouse in the gym. We'll have coffee, hot tea, hot chocolate, juice, and water available, along with packaged goodies. Be sure to join us!

We'll also have a Welcome Class at 11:15 that day for all who are interested in joining our church or just learning more about us.

Last and certainly not least, we'll gather our special Summer Ministry Offering! Due to us not meeting for the first few months of this year, our budget offerings are well behind our budget needs. Also, our recovery funds from our CDC are down because of the trials of COVID.

Summer is a demanding season financially because of all our special activities, like Vacation Bible School. So it's important to be in good financial shape during that time.

For this reason, we ask that you to give a special gift to our budget on June 6. We ask that you give over and above your regular giving. If you're behind on your planned giving, it would be a great time to catch up! If you're on track with your giving, it would be great to give double what you would normally give that day!

Please start to pray now about your participation in this offering!

Later in the month of June, Tom Smith and I plan to take a mission trip to Kenya. Please pray that we will be effective witnesses that and will be a good help to the church that Jay and Sumter Brantley have established there.

See you Sunday!

Robert
